

Spiritus launches Every Dollar Counts

Spiritus is launching its first ever fundraising drive, Every Dollar Counts, in the Queen St Mall on Monday 25 May at 10am. The launch will be hosted by popular 97.3fm radio presenter, Paul (Campo) Campion. Joining him on the Upper Stage will be Brisbane's Lady Mayoress, Lisa Newman.

Spiritus is an Anglican not-for-profit organisation providing caring and supportive services in partnership with government and other support organisations, to respond to identified needs in our community.

Spiritus Executive Director Don Luke said

“Care and support are what Spiritus is about. Our staff connect with people on every step of their lives’ paths, responding with compassion, creativity, commitment and courage to the needs of the infirm and those most at risk in our communities.”

Every day the passionate staff and volunteers of Spiritus are working to respond to growing community demand for our services. But many needs still go unmet. Every dollar you donate is another dollar we can devote to meeting those needs.

Spiritus is committed to social and community welfare issues and aged and community care needs, particularly with respect to disadvantaged members of the community.

Whether it is providing nursing care and domestic assistance in the home, physiotherapy to enable the return of mobility, emergency accommodation for victims of domestic violence, working with foster carers in the care of vulnerable children, a safe caring environment for frail elderly people, wound care for homeless, skills training for young unemployed people or parental education and counselling, Spiritus is there, providing the best quality care available.

“The Every Dollar Counts fundraising drive gives Queenslanders an opportunity to participate in an active way in caring for their community. The work of Spiritus stretches from Cairns to Coolangatta, from Birdsville to Brisbane and touches people of all ages with a variety of needs. We’d love everyone to join us in this worthwhile endeavour to assist those who need our practical, sustaining support.”

When it comes to helping others, every dollar counts.
